We say

Bath Chew Valley has always fared extremely well in our *Top 100 Sites Guide*, and it's really not surprising when you look at the lengthy list of facilities that you'll find at this adults-only park. For example, there aren't many places where you'll find luxury bathroom suites, a large lending library, a motorhome service point, a free-internet kiosk, beautifully landscaped grounds, dog walking space, a car available for hire, free ironing facilities, a complimentary freezer service, a conservation area... The list goes on. No wonder it has won so many awards over the years!

The attractions aren't limited to the site, though: it's also well-placed to allow visitors to explore the very best that this beautiful region has to offer. As the name suggests, it's close to the wonderful city of Bath, but it's also handy for Bristol, Wells and the beach at Weston-super-Mare. Walkers will appreciate the park's proximity to the Mendip Hills, too.

You say...

"The wardens really went out of their way to assist us. The landscaping, gardens, fish pond, flowerpots and hedging were all very well-kept, as were the toilet and shower facilities."

"We were staying in a motorhome, so the hiring of the car was great for us and not expensive. Well done – all sites should think about having this facility!"

"We have stayed at this site many times over the past few years and we always look forward to returning. It is extremely well-maintained, and all the staff are cheerful and very helpful."
